

Pitch Perfect

Subject: Social Studies **Grade Level:** 9-12

Concept: Personal Interest & Investment **Method:** Student as Leaders

OVERVIEW

Students will create a one minute pitch to sell the president of a company on why he or she should hire them as an intern. Students must identify their key skills and qualities that are important to an employer. They will discuss any relevant experience they have that can be readily transferred to the internship opportunity. Then they will put together a one minute pitch that they will record on their phones or other device.

Connection to Entrepreneurship: Students will research and develop an elevator pitch to sell themselves in a short period of time.
