

# Community Helpers

**Subject:** Social Studies      **Grade Level:** K-2

**Concept:** Career Guidance      **Method:** Facilitation & Coaching

## OVERVIEW

Read- "The Giving Tree" and discuss the ways the tree helped the little boy his entire life. Each item that was given to the boy was free. Discuss what things you can give that are free that can help others. Discuss how they can help the community. Students will create their own Giving Tree by writing their gifts to the community on the leaves of the tree.

**Connection to Entrepreneurship:** Students learn about how they can help their friends and community.
